# GAME & TOURNAMENT LOGISTICS

## TOURNAMENT RULES ([Posted Here](#))

- Official game play rules have been provided to every team and posted on our tournament website.
- Please review your rules as there are some subtleties specific to this tournament

## UMPIRES

- We have carded CMSUA umpire coverage for majority of the games, but there is an umpire shortage in Calgary.
- If no umpire is available for your game, WHS will attempt to provide a volunteer for you.
- If no tournament volunteer is available, we ask that the home team provides the plate umpire. In this case, the visiting team may supply a base umpire to help. Umpire equipment will be available at every field as required, please ensure you return equipment/indicator/brush to umpire bag after completion of game
- Please be respectful to ALL umpires, carded or not. There is a zero tolerance policy for any verbal or physical abuse towards umpires. All umpire decisions are FINAL.
- **UMPIRE MEETING:** Each game is to start with umpire meeting at home plate between one coach and one player from each team. Line-up cards are to be provided to the umpire.

## WARM-UP AREAS / BENCH ETIQUETTE

- At Glamorgan, warm-up areas are limited while games are underway
- Tournament organizers will attempt to mark off areas for warm-up for each team and spectators ([see map](#))
- Please be respectful to not to get in the way of the live games or any spectators while warming up
- Spectators, please be respectful to leave space for the next teams to warm-up
- If the soccer fields are not being used, it is recommended to use this area for your warm-ups while the previous game remains underway.
- To respect our field crews, **No Infield warmups will be permitted before games**
- Upon completion of your games, please vacate the bench area immediately and have your team's post game talk off to the side of the diamond so that the teams playing after you can get prepared.

## FIELD MAINTENANCE

- WHS will be providing field preparation between every game through our volunteer sign-up
- However, if we do not have a volunteer available, a rake will be provided at the field. We ask that either team supply a volunteer to quickly rake the diamond and/or redo any lines (if required) between games.
- However, no games are to be delayed due to Field Maintenance

## TOURNAMENT GAME SOFTBALLS

- Yes, we have balls! Each game will have **one new ball**, and **tournament-used balls** behind the backstop
- At conclusion of the game, please return game balls back to the bin behind the backstop for the next games.

## SCORESHEETS
