Fair play policy

Fair Treatment and Equal Playing Time in all Divisions:

In our younger divisions Learn To Play, U11 and some U13, players should be rotating through every possible position. As the kids get older we recognize that not everyone will want to or be able to play the positions of catcher and/or pitcher in game situations. Within all of our divisions no player should sit out more than one inning at a time. If your coach is playing the Universal rule then no player should sit out more than one inning until every player on the team has sat out one inning. If your coach is playing by the ABC rule then B and C players will alternate every inning and A players play the entire game. A, B, & C players will rotate each game. If this is not happening, talk to the Team Manager. See the Calgary Minor Softball Website for more details on these rules www.calgaryminorsoftball.com

In the older divisions (U15, U17 and U19) we start to see more position specializations, there is less emphasis put on seeing each player play each and every position. However, West Hill Softball (as well as Calgary Minor Softball) does believe that the principle of equal playing time is followed for regular season games as best as possible. At the end of the season, within reason, players should have sat out roughly the same amount of innings (as a percentage of the player's availability). We do not expect coaches to track the amount of innings every player as played, but we do expect that a reasonable approach is taken that would result in equal play. Sometimes competitive teams may take a different approach for tournaments and provincials. If a different approach is taken, it must be communicated to all parents and supported by the majority of parents of the team. As stated above with the specialization of positions, all players should have opportunities at infield and outfield. All playtime and position decisions, takes into account health of the athlete, conditioning of athlete, attitude, injury, emotional state, and practice attendance. If this is not happening, talk to the Team Manager.

PANEL DISCUSSION: How do you implement fair play with your teams?

The logo for West Hill Softball, featuring the letters 'WH' in a stylized, cursive font.

Season: Weather Policies

- There is no such thing as “normal weather” in Calgary
- In past few years we have had nights postponed due to:
Rain, Snow, Smoke, Cold, Heat, Floods
- Expect all of the above, and expect the spring cold!
- Calgary Minor Softball will determine league-wide postponements
- Temperature threshold is 4 degrees (“Feels like” number on Weather Network)
- Individual game postponements can be determined by team officials before or at the field (work with opponent)
- Coaches: always try to play the game until the last possible moment
- Postponed games have to be rescheduled by the team themselves.
- Remember:
 - Calgary weather can be drastically different in two parts of town
 - Calgary weather can drastically change in one hour
 - *E.g. In the past, it has snowed at 3pm, only to play in sunny 12 degrees by 6pm.*

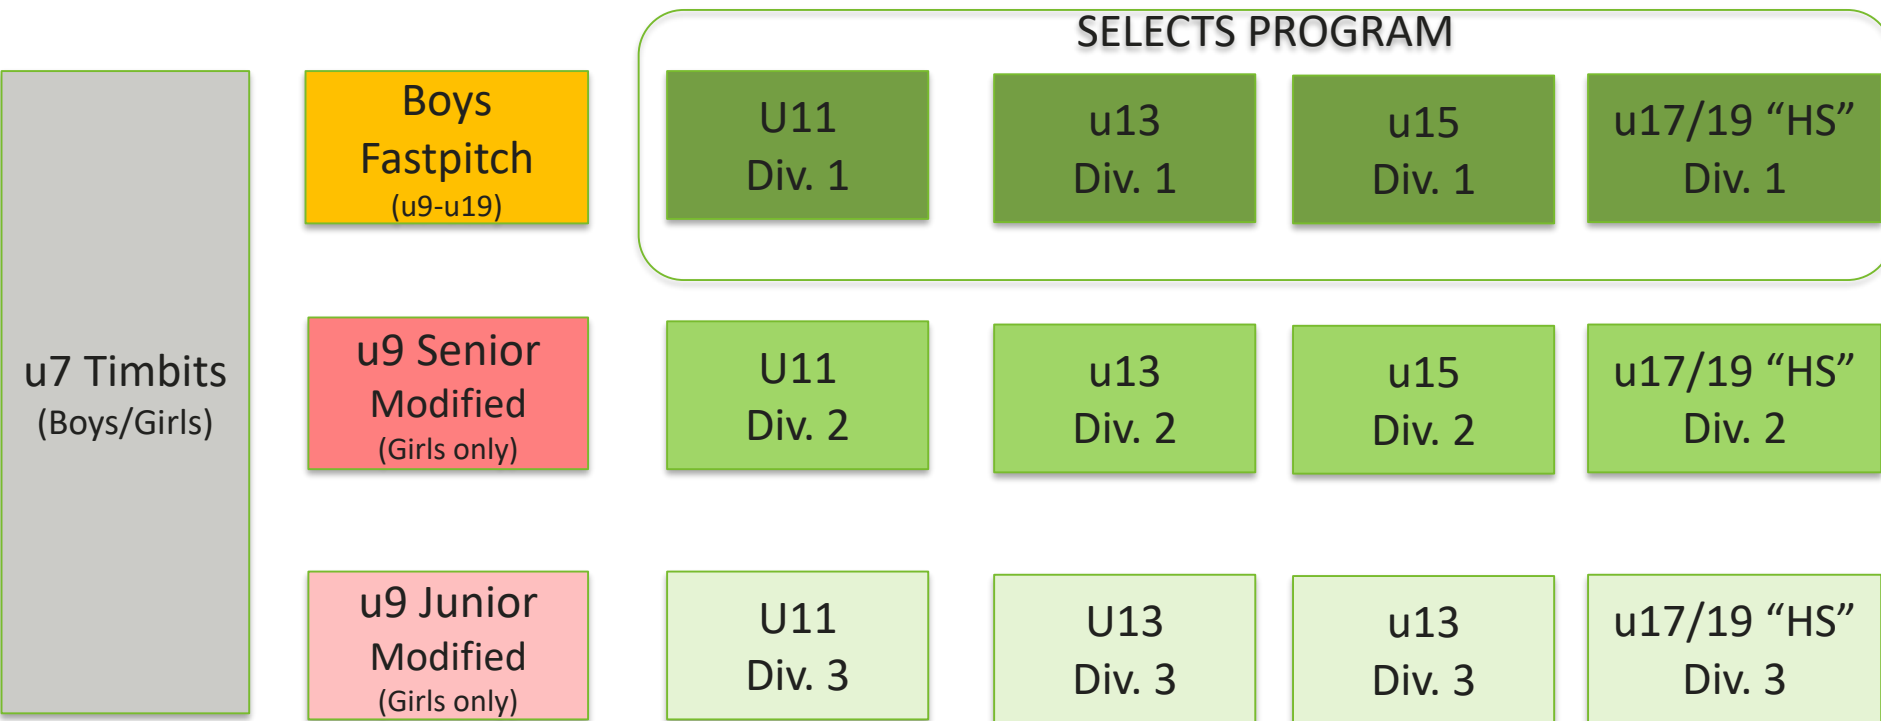

**Teams will be requested to make-up ALL postponed games
(need to work with opponent, WHS, and/or CM to coordinate)**

Assume “Game on!” until you hear otherwise

WHS

Provincial Levels

**Alignment with
Softball AB Categories:**

Div. 1 = "B"

Div. 2 = "C"

Div. 3 = "D"

Note: Movement up and down between age categories & Div. levels can change each year

- Divisions with Paid Umpires incur \$50 fee umpire fee

- Selects program incurs additional \$50 fee
(extra gym time, practice fields, equipment)

PANEL: What are your strategies for tournaments and provincials? Which ones do you like?

End of Season Expectations

- **Coach's Player Evaluations**

- We will be asking for at least 1 player evaluation form filled out per team
- We will accept more than 1
- Don't just put in scores, the comments about the player proved to be just as important
- Critical for our evaluation process the following season

- **Equipment Return – *Date TBD***

- SCA Community Centre; details to be communicated in June/July
- Don't forget, this includes Jersey return (with the tracking sheet!)

- **Wind-up Party**

- Ideas include pizza party at the field!
- Parents vs. Kids game

PANEL: Favorite Social events? Wind ups?
