- Home team batting, and lead has changed (win/loss OR tie) during incomplete inning, the inning MUST be played out to completion (or if home team has taken lead).** *E.g. Home team leads 8-7 after previous inning, but is currently batting and game is tied 8-8 or losing 10-8; then play out the inning to completion.*

- b) Weather Exceptions:** Delays to start times due to weather or other delays will be communicated as necessary by the Tournament officials prior to game start. Game time limits may be adjusted by the tournament committee.

## 8) RUN LIMITS:

The following modified run limits will be enforced in the Hits & Spits Tournament			
	Friday & Saturday	Sunday	
	Pool Play	All playoffs & Medal Games	
U9 / U11	4 runs	Inning 3+ = 6 runs	Inning 3+ = 6 runs
U13		Inning 4+ = 6 runs	Inning 4+ = 6 runs
U15	5 runs	Inning 4+ = 7 runs	Inning 4+ = 7 runs
U17/U19			
Any extra innings will be played under final inning 4+ rules. There will be NO open innings.			

## 9) RUN AHEAD RULE (Recorded Scores):

All games are to be played in their entirety to the game's time limit, unless the following run ahead rule is reached.

- Standard Run Ahead Rule: 15+ runs after 3 innings, 10+ after 4 innings, or 7+ runs after 5 innings
- Note: Max 7 run differential is recorded for all games (E.g. Final score of 14-2 will still count only as +7).
- If home team is batting, and run ahead rule has been reached, the game is over and current score recorded

**There is no 'running up the score' after the game's Time Limit. When the Time Limit is reached:**

- If the home team is winning and batting, the game is declared over and the current score is marked final.
- If either team is ahead by more runs than is possible for a comeback in the current inning, the game is over, and the score reverts to the score at the end of the previous inning.

## 10) PITCHER LIMITS

- West Hill Softball encourages teams to have multiple pitchers at younger age groups during pool play
- Here are the max innings (reminder, one pitch constitutes an inning pitched):

**\* Exclusive Tournament Rule**

	Pool Play (Fri & Sat)	Playoff Games (Sunday)
U9 / U11	2 innings *	3 innings
U13 / U15	3 innings *	4 innings
U17 / U19	4 Innings *	5 innings *

## 11) TEMPORARY RUNNER (For Catcher or Pitcher) [Rule 9.7 in CMSA Handbook](#)

2 outs pitcher/catcher of record, with these **\*exclusive tournament rule additions\***:

- a) If the Pitcher/Catcher represents the MAX run limit or higher, with less than 2 outs
- b) For u9 to u13 only: Replace your NEXT catcher (i.e. does not need to be the current catcher of record). The removed runner MUST catch next inning. Penalty: If the temporary runner scores, and the removed runner does not catch the next inning, their run will not count. This rule cannot be applied after the time limit has been reached (ie. Guaranteed no next inning)
- c) *This rule is ONLY intended to be used to speed up the breaks between innings*

---

## 12) ROUND-ROBIN STANDINGS:

- a) Standings will be determined by Points Percentage (2 for a win, 1 for a tie, divided by number of games).
- b) Tie-breakers will be broken as follows, in order:
  - o Head-to-head records (for all tied teams)
  - o Run Differential in H2H games only (for all tied teams)
  - o Run Differential (*capped at a max of 7 per game*)
  - o Defensive Runs / Inning
  - o Coin Toss
- c) Note: Head-to-head record for 3+ teams does not require all teams to have played each other.
- d) In all cases, TeamSnap's algorithm will determine the tiebreaker result and will be deemed as final

## 13) PLAYOFF BRACKETS & SCHEDULES:

- Will be posted on TeamSnap Tournament App asap Saturday evening after final pool games are played
- Please consult TeamSnap tournament for the playoff bracket format for your division.
- Teams are responsible to know when/where to play for Sunday games via the TS Tournament App; no other notification will be provided to teams.

## 14) PLAYOFF GAME TIEBREAKERS: *(Does not apply for pool games, which can end in a tie)*

- a) Elimination games tied at the completion of the allotted time limit must have a declared winner.
- b) **Modified Tournament Tiebreak rule = "Defensive Outs":**
  - 1. **Team that recorded the most outs defensively during entire game will be declared the winner.**  
(E.g. Game ends tied 12-12. But Team A recorded 7 outs on defence and Team B only recorded 5 outs on defence, Team A is declared the winner)
  - 2. If still tied, teams will play extra Innings: Start with batter scheduled to bat last at 2<sup>nd</sup> base, **ONE out.**
  - 3. If still tied (runs), once again Defensive Outs in the extra inning will determine a winner.
  - 4. Teams will continue to play extra innings until a winner can be determined.
- c) **U9/U11 Only: ONLY ONE** extra inning will be played; If games remain tied, it will be decided by base race.
  - o Umpire will officiate the race, ensuring all bases are touched and no leadoffs occur
  - o Coaches may (recommended) 'hold'/'direct' players to ensure they don't leave early
  - o U9 = Only 6 players will run; U11 = Only 9 players will run (no running twice required)
  - o If a base race is inconclusive or disputed, a coin flip with the umpire will determine the winner

15) If game rules have not been explicitly stated in this document, please consult [CMSA guidebook](#).

16) All other rules not covered in this document will be determined at the discretion of the Tournament organizers.
